

Corning Cabelcon Kvalitetspolitik

Det er Corning Cabelcon's politik at medarbejderne, individuelt og i teams forstår, forudser og overgår kundernes og markedets forventninger - uden fejl, til tiden, hver gang.

- at supportere og forstærke forholdet til vores kunder ved en løbende udvikling af produkter
- at udvikle medarbejderne gennem uddannelse, træning og involvering
- at sikre kvalitet i produkterne og processerne fra starten
- at måle og forbedre præstationer
- at benytte de rette værktøjer til at sikre løbende forbedringer

Vordingborg, November 2011

Corning Cabelcon Quality Policy

It is Corning Cabelcon's policy that employees, individual and teams, understands, anticipate and surpass the expectations of the customers, and the market - without error, on time, every time.

- to support and enhance the relationship with our customer by continuously development of connectors.
- to develop the employees through education, training and involvement
- to assure quality into products and processes at the start
- to measure and improve performance
- to use proper tools to secure continuous improvement
